A PLACE TO RECHARGE

On the ground floor is a brand-new tenants-only lounge designed to be a place in which to both relax and work casually, with an events bar, coworking library, a variety of seating, and areas for work and socializing.

A direct stairway from the Lounge provides quick access for a lower level tenants-only wellness center, featuring 17-foot ceilings, locker rooms, an elevated shower experience, yoga, fitness, training rooms, and ample bike storage.

A
PLACE
TO PLAY

Opening in 2025, Five Iron Golf will provide a dynamic space to entertain clients, host happy hours, and hold corporate events. Guests can work on their golf game year-round with access to tour-level Callaway club fitting, state-of-the-art simulators, and seasonal leagues.

SUSTAINABILITY

Vornado has created industry-leading green cleaning and building-wide recycling and organics diversion programs. VNO has been collecting organics at 1290 Avenue of the Americas. The building’s overall diversion is currently at 55% and zero waste is being sent to a landfill as it is all being sent to a waste-to-energy plant.

RENOVATION

2012 - 2014 — FULLY MODERNIZED

- New elevator cabs; destination dispatch system
- New lobby and storefronts
- Upgraded HVAC systems including new induction units and covers

AIR CONDITIONING

BUILDING HVAC HOURS

MONDAY TO FRIDAY: 8AM TO 8PM, SATURDAY: 9AM TO 1PM

The central plant is located in the subcellar, two levels below grade. Chilled water for air conditioning is generated by one 3,420 ton and one 2,800 ton York centrifugal chillers directly driven by steam turbines and a 1,000 ton electric chiller. Floors are cooled by chiller water pumped to central air handler coils for the interior and perimeter systems.

EMERGENCY POWER

Two emergency generators are located at the premises:

- A 2000 KW generator is available to all building tenants for additional redundant power requirements
- A 765 KW life safety generator

SPRINKLERS

The building is fully sprinklered. The tank locations are on the 44th floor: (2) 7,000 gal tanks each with 4,500 fire reserve; 20th floor: 13,200 gal tank with 9,000 gal reserve.

THE VISIONARY TEAM

DEVELOPER

VORNADO REALTY TRUST

With a portfolio of 67 trophy buildings in Manhattan, spanning over 20M square feet of office and 2.7M of retail (as well as holdings in Chicago and San Francisco), Vornado has been the premier active owner, developer, and manager of real estate in New York City for 40 years. From the reimagining of the PENN DISTRICT, a sprawling interconnected campus of over a dozen buildings, including the prestigious Farley Building and Moynihan Train Hall, to the redesign of PENN 1, with its focus on wellness and comfort, Vornado has continually reinvented the way people work, with unexpected amenities and human-centric design.

INTERIOR ARCHITECT

FOGARTY FINGER

Founded in 2003 by Chris Fogarty and Robert Finger, Fogarty Finger's mission is to redefine the urban landscape with evocative and pragmatic design. Comfortable with the commercial space, the firm is also renowned for its residential and hospitality interiors, creating spaces that are colorful, warm, and cultured.

LANDSCAPE ARCHITECT

HOLLANDER DESIGN

Hollander's design philosophy focuses on three ecologies: the site's natural, architectural, and most critical here, human ecology, or how people will actually use the property. Primarily known for residential landscaping, the firm's ability to create spaces that are comfortable and beautiful is a perfect fit for this project.
